The Promise House provides safe, stable, temporary housing for families working toward long-term independence.

At Family Promise of South Sarasota County, we believe every family deserves dignity, support, and the opportunity to rebuild. The Promise House centers on community, shared responsibility, and a home-like environment where families can focus on their next chapter.

Hospitality Partner:
Creating Stability Through Care

Hospitality Partnership is a meaningful way to support families during a critical time in their lives.

Your Support Helps:

- Provide consistent, home-cooked meals
- Reduce stress for parents
- Create a sense of community and connection.
- Offer comfort and normalcy during transition.

Sharing a meal goes beyond nourishment. It builds relationships and reminds families they are not alone.

Weekly Hospitality Partner Overview

Businesses and organizations provide one full week of support each quarter.

All volunteers are required to complete a brief training prior to serving as a host.

Family Promise's Family Service Coordinator will provide a headcount and food preference forms on the **Friday** before your week.

Partner Week Timeline

Tuesday-Friday

Provide hot meals each night for dinner.

Meal Guidelines:

- Deliver between 5:00 PM and 5:30 PM.
- Meals can be home-cooked **or** purchased from a restaurant.
- Enough food must be provided for **all** families.
- Families will use their own dishes and utensils during meals.

Off-Day Support

Saturday–Monday

Families prepare their own meals using groceries or gift cards provided by sponsors.

Evening Guidelines

Families and volunteers share meals together each evening, creating a sense of connection and community. Volunteers are asked to depart by 7:30 PM. After dinner, families are responsible for cleaning and putting away their own dishes, while volunteers help ensure the shared spaces and kitchen remain clean and organized before leaving.
